# EDU Safety Campus

## Peace of mind for staff and families

DELIVERED BY C1, A VERKADA DIAMOND PLUS PARTNER

C1 helps educational institutions move from fragmented security tools into one connected safety operation, where risks are identified earlier, response is coordinated quickly, and there is no doubt students and staff are protected with the industry's best tools and approach.

**Proven to identify risk early with all the context to coordinate the *right* response at the right time.**

## Measured Outcomes

**01** **Identify risk early.**
Maintain real-time awareness and immediate access to live and recorded context—even on buses in-transit.

**02** **Investigation in minutes.**
Use industry-best AI-powered search for rapid review, secure sharing, and reduced investigation to resolution.

**03** **Action at the soonest possible second.**
Turn verified alerts into coordinated audible/visual notification, plus access control to the campus edge.

**04** **Simplify security operations.**
Shift routine monitoring to AI-Enhanced operations for all security equipment, reducing administrative burden.

## Priority Safety Use Cases Delivered

| Unified Campus Awareness | Safer Spaces & Transit | Value Realization + C1 Services |
|---|---|---|
| • Secure arrival with video-enhanced visitor management, panic buttons<br>• Controlled access with monitored perimeter awareness even after hours<br>• Live Person of Interest (POI) tracking over an immersive floorplan view | • Air quality and vape detection without cameras<br>• Parking and perimeter protection with License Plate Recognition (LPR)<br>• School bus video and cellular connectivity | • Campus safety network architecture readiness and phased design<br>• Staging, installation, integration, validation, and training<br>• Ongoing on-site C1 maintenance and warranty replacement (where available) |

# C1 Helps You Protect People and Property—and Your Investment

**Diamond Plus:** Verkada's highest, invite-only partner tier

**87.6 NPS:** "Exceptional" installation capability score

**12M Students:** Supported with C1 solutions nationally

## "C1 generated the highest number of customer responses we have ever seen ... and earned a Net Promoter Score of 87.6 for installation capabilities, which is well above average."

VERKADA PARTNER CHANNEL

IDEA Public Schools

**Proven with C1 and Verkada**

**70+ schools • 4,000+ cameras and intercoms • 2,000+ access-controlled doors**

C1 unified video security and access control across three states, expanding campus visibility, strengthening control of school entry, and simplifying security management—while keeping existing systems operational during the transition.

## Start with what you cannot afford to lose.

When a critical event occurs, does your district have one trusted view to take—or prevent—an action? C1 shapes critical readiness and response workflows into action.

**Deliverable:** Site Review, Use Cases, Floor Plan, Network Eval, Recommended Pilot

**Next Step:** C1 Safe Campus and Readiness Workshop

C1 makes modernization real—delivering secure, practical solutions for AI-powered communications, infrastructure, and security that drive measurable outcomes from day one. Focused on real-world results, C1 combines industry-leading partner technologies with deep expertise across advisory, professional, and managed services. From healthcare and education to government and financial services, C1 designs and delivers solutions that are faster, simpler, and more resilient—turning transformation into tangible value.
